

CARE CLUB MEMBERSHIP COMPARISON

DELIVERING 5-STAR COMFORT SERVICES

Dear Valued Member,

Welcome and thank you for choosing Premier Heating & Cooling for all of your home needs. We greatly appreciate your dedicated service and look forward to being your one-stop shop for years to come.

In this packet we have included the receipt for your purchase of the Premier Care Club, the review program form and the referral cards that we discussed on our phone call. Should you have any questions on this please feel free to reach out to us.

As you know, Premier Heating & Cooling is completely committed to 100% customer satisfaction. With our Premier Care Club, you not only receive priority service, discounted pricing and free service calls (only for Premier Members), you also receive 2 comprehensive inspections each year (Heating + Cooling). As you can see from the enclosed brochure, the value of each inspection is far greater than the cost of the plan itself. This membership is fully transferable to a new home or new homeowner at no additional cost.

Thank you for taking advantage of our Premier Care Club Plan. If you ever have any questions or if we can help in any other way, please call 321-344-4773 or book a service appointment online at PremierHeatingAndCoolingInc.com

As always, have a better than great day!

Best,

Proud Owners of
Premier Heating & Cooling
